St. Frances Cabrini Roof Update:

It took several years and lots of Time, Talent and Treasure on the part of many generous parishioners for us to get to where we are with regard to what is soon to be our newly renovated roof on the church. After many discussions on how to proceed, the proper specifications as well as the proper materials needed to be put in place.

The work was moving forward and on schedule until some water damage was found in a few spots under the tiles. This was expected, but the work is moving along well and the roofing company, South Valley Roofing, has plans to be finished with repairs to the roof sometime in August.

We have had glitches, but we have also had solutions. When the building committee really started looking at the concerns, the cost, and the eventual damage that would be of greater concern down the line, they decided to take action and "Raise the Roof" was officially started. The wheels started to roll as the proper specifications, evaluations and materials were looked at and decided upon.

The one of a kind, handmade clay tiles, which was in need of repair many, many years ago, were found in Sacramento by John Bessling, a long time parishioner, who in turn bought the whole lot of clay tiles for future use. All the tiles have since been used but what you may (or may not) see is a perfect match as well. South Valley Roofing is known for their expertise on clay tiles.

Many voices were involved including, but not limited to, the SFC building committee, of which Domenic Onorato, an Architect Project Manager for the City of San Jose is the head of, the Parish Council and Finance Councils in pulling together a comprehensive and cost effective plan to make sure that our uniquely tiled roof maintained its original beauty while moving forward with the repairs that needed to be implemented underneath those tiles. Last but not least, the support we received from our parishioners was invaluable!

Taking advantage of a low bid from this experienced roofing company, we were able to have the church painted by Orchard Valley Painting. Please visit www.sfcabrini.org for pictures on the progress of this most important and long awaited project!

TREASURES FROM OUR TRADITION

It's high summer now, school is out, the pace of work slows, and some people drift away. There are visitors in the churches every summer, and familiar faces are "among the missing." Some find the summer's call more appealing than the summons of the church bells. Many, however, would not dream of missing a Sunday, and so they make their way to Mass in unfamiliar places, watching the locals for clues as to when to sit or stand, where the Communion stations are. In answering the call, they keep the "sabbatical" rhythm of the Christian life: every seventh day, the Body of Christ assembles for worship.

For centuries, there was no obligation to Sunday Mass in the sense of a written law, but Christians have always yearned to be together on Sunday. In the city of Abitina, during a persecution by the Emperor Diocletian, a group of Christians were urged to stop worshipping together on Sundays. They responded, "Then take our lives, for without the Sunday we cannot live." By a curious coincidence, the appointed readings today center us on thoughts of peace. On our Independence Day, the experience of worship situates us in community, and evokes a commitment from us to be advocates of peace in all aspects of our society's life.—James Field, Copyright © J. 'ABIDE' - Keeping Vigil with the Word of God A Silent Retreat for Women facilitated by Macrina Wied-erkehr, OSB August 1 - August 7, 2013. Abide is a very rich and sacred word. It is an invitation to dwell in Christ, to be immersed in the Divine, to be absorbed in God. Allow the peace and serenity found at Vallombrosa be your backdrop for exploring the sacredness of both BEING and DOING. Give yourself the gift of sacred space to keep vigil with the Word of God.
